**IF WE DIDN'T TAKE YOUR SUCCESS PERSONALLY, WE WOULDN'T BE MI.** From our beginnings in 1947, our founders cared about delivering the best product and serving our customers at a level that couldn't be found anywhere else. Putting people first has been ingrained in our culture from the start. Homeowners are happy with their choices. Dealers feel great about selling. Builders and architects take pride in their projects. Team members celebrate their accomplishments. We reach these successes by bringing integrity to every relationship and precision to every detail—because we take your success personally.

*"You and your team have knocked it out of the park! Thanks to all for delivering superior customer service, and for standing behind your product. MI has gained a customer for life."*

## Whatever you need—we get it there

Every MI window and door is proudly manufactured in one of our four U.S. production facilities, allowing us to deliver the precision-made products you need, wherever and whenever you need them.

“Good enough” is never good enough for us, because everything we do is focused on one number: 100%. Our advanced manufacturing facilities take quality and customer service to new levels, resulting in on-time, accurate, and complete deliveries with every order.

### OUR MISSION

## Getting It Right Every Time

We build each of our products the same way we built our company: with integrity and precision. Every MI window and door is handcrafted in the United States using state-of-the-art manufacturing techniques, and is backed by vigorous in-house testing procedures. We are 100% committed to offering the styles, value, and performance you're after.
