AuraLast™

PROTECTION TO THE CORE™

AuraLast® pine is a patented wood product that helps provide protection against wood rot, water damage and termites. This water-based process fortifies wood all the way to the core, providing an exclusive level of protection you'll only find through JELD-WEN.

 EASY ON THE ENVIRONMENT

Water-based treatment releases up to 96% fewer volatile organic compounds (VOCs) during the manufacturing process than traditional solvent-based methods.

 WET WEATHER PROTECTION

Whatever the climate, AuraLast protects against water damage and rot like no other. Whether it's humidity, storms or dampness, AuraLast® pine stands up to the rigors of wet weather.

 TERMITE PROTECTION

Termites can be devastating to windows and doors, but not to those built with AuraLast® pine. It safely and effectively repels termites, preserving the beauty of your investment.
